

IS CONFIDENCE A CHALLENGE? TOASTMASTERS IS THE ANSWER!

WHAT IS TOASTMASTERS?

Toastmasters is the leading movement devoted to making effective oral communication a worldwide reality.

Through its member clubs, Toastmasters International helps men and women learn the arts of speaking, listening and thinking – vital skills that promote self-actualization, enhance leadership, foster human understanding and contribute to the betterment of mankind.

WHAT'S IN IT FOR ME?

Toastmasters offers a proven way to improve your communication skills. By participating in a fun and supportive Toastmasters group, you'll become a better speaker and leader and gain confidence to succeed in whatever path you've chosen in life.

BUT, I'M NOT A SPEAKER OR TRAINER...

Even if your day-to-day job responsibilities don't involve speaking in front of large groups of people, you still need the skills you can learn in Toastmasters! You'll learn...

...how to lead teams and conduct meetings.

...how to provide feedback in a constructive manner.

...how to be a better listener.

...how to communicate more effectively.

These are all skills that further your professional development.

HOW DOES IT WORK?

Toastmasters clubs are made up of 20 to 30 people who meet on a weekly basis. Each week, two or three members deliver prepared speeches. A round of Table Topics gives us a chance to speak off the cuff. And members take turns providing constructive evaluations of the prepared speeches. In Toastmasters, we learn by doing.

HOW DO I FIND A CLUB?

We're fortunate to have a Toastmasters club that meets right here on the **{NAME OF LOCATION}** campus. It doesn't get any more convenient than that! Just bring your lunch to the meeting, and spend an hour with friends.
